

New Showings at The Fitts Store!

It is often remarked: "Every time I visit The Fitts Store there are so many new things to be seen." This is our aim—to always show the very latest the market affords, oftentimes showing novelties over our counters as soon as New York or Boston.

Spring Silk Showing.

This Spring the world's fashion-makers have exceeded all former efforts in the beautiful patterns, rich and charming colorings, as well as excellence of fabrics.

Very Special—One piece of 36-inch Black Taffeta Silk, fine, soft and lustrous. A quality if bought today would sell for \$1.25. For a few days, \$1.00 a yard.

One piece of Black Taffeta Silk, 36 inches wide, bought when raw silk was \$3.00 instead of \$6.00, as now, having a superb finish, luster and rich black usually found in the best imported Silks. Instead of \$1.69 a yard, for a few days at \$1.38 a yard.

Dress Goods News.

There'll be no better showing of Dress Goods this season than right now.

Moonlight Mixtures, the most beautiful colorings and color combinations we have ever seen in Worsteds goods. A Suit or Skirt would be so pretty, and so different from the ready-made Suits and Skirts. New shades of brown, fine Chiffon Panamas and crispy French Voiles.

Very Special—An all-wool Crispine, 48 inches wide, in blue, brown and black. This was a lucky buy for us and a good value at \$1.00 a yard. While they last, 75c a yard.

AS A FAVOR we would ask that since the garment-buying season is now fully on, and our alteration room is going its limit, that you give us all the time possible on alterations. We will do the best we can and all work will be out when promised.
